

VELEBIT PHOTO SAFARI - Day Tour

A whole day tour on 4x4. Velebit Nature Park. Zadar Region.

Mountain **Velebit**, Croatian longest mountain range, stretches along the Adriatic sea from Vratnik above Senj in northwest to Zrmanja river southeast. Its length is 145 kms. Abounds in nature diversity, unique karst landscapes and history. Because of its distinctive features it was proclaimed a nature park in 1982.

If you are looking for an adventures tour discovering some of the most picturesque rural places and wish to enjoy untouched nature then **Velebit Photo Safari** is right tour for you.

Join our friendly guides on the safari day-tour and explore a part of our great mythic mountain. Our day excursion **Velebit Photo Safari** by terrain vehicles (4x4 LR D) leads you through the scenic hinterland routes and stunning scenery of unspoiled nature.

We'll take you to the southern slopes of Velebit mountain where you'll enjoy beautiful views of **Adriatic sea** and **Zadar archipelago** in one, and **Paklenica National Park** and **Sveto brdo** summit on the other side. You'll be amazed by the surrounding sights and fragrances.

Short drives are combined with many stops for easy walk, photo shooting and refreshments. Our guides will teach you about life of cattle-breeders who lived here on the same way for thousands of years, about some interesting facts of Velebit, its wildlife and more...

We'll drive up to 1000 m a.s.l. to the foothills of **Tulove grede** – a very picturesque limestone cliff well known among Winnetou fans as well as is the **River Zrmanja Canyon**, where films of legendary Indian hero – **Winnetou** were shot (based on the novels of very favored german novelist Karl May).

We'll serve you a lunch along the way at one of the many lovely spots.

A break at Zrmanja river will be icing on the cake after a hot summer day tour.
