

SOUTH VELEBIT bike tour

Guided bike tour day trip. The Velebit Mountain Nature Park. The Paklenica Riviera.

Take a bikeride through some of the most stunning karst landscapes and enjoy amazing views of Sveto brdo, Adriatic sea, Zadar archipelago and hinterland.

Velebit - Croatian longest mountain range, stretches along the Adriatic sea from Vratnik above **Senj** in northwest, to the **Zrmanja river** southeast in lengths of 145 kms. Velebit abounds in nature diversity, unique karst landscapes and history. Therefore was proclaimed a Nature Park Velebit in 1982.

Tulove grede is a limestone conglomerate, one of the most attractive and recognizable peaks of Velebit.

This spectacular area used to be scenery for many films such are those featuring **Winnetou** – a fictional Indian Chief - the most known among them.

DESCRIPTION

Transfer to our startpoint nearby **St. Francis Church** by the old macadam road Obrovac-Sv. Rok. Uphill ride towards foothills of **Tulove grede**.

We ride back downhill toward Veliko and Malo Libinje at 780 ma.s.l. Our ride continues along macadam road all way to Starigrad in length of 19 km. Many nice viewpoints.
