

## ZRMANJA RIVER KAYAK TOUR

**Easy kayak tour from Obrovac to the Novigrad Sea. Velebit Nature Park. Zadar region.**

### DESCRIPTION

Our hidden beauty - **Zrmanja** - a typical karst river. It rises in the southern area of Plješivica mountain and flows through the canyon towards the **Novigrad sea** in distance of 69 km.

By sea-kayaks (2+1, sit-on-top) you can be lowered from **Obrovac** to the estuary in length of some 14 km. Zrmanja flows more slowly here, taking you easily to the mouth.

Explore and experience this amazing nature. Enjoy gliding down the calm river.

The tour is not too demanding and is also suitable for families with children. Our sea kayaks are stable, easy to paddle. No previous experience needed.
